Legal assistance from Visma Advokater AS

Visma Advokater AS consists of 19 lawyers situated in Oslo, Bergen and Trondheim. Our legal department has considerable experience from various law firms and public authorities. We have international experience and are well prepared to work with and towards foreign companies and authorities. Our main area of business involves TAX and VAT related question, often in close cooperation with the accounting teams of Visma.

Tax
Visma Advokater holds extensive knowledge of Norwegian taxation for both companies and people. We regularly assist foreign companies establishing a business structure in Norway with the assessment of taxability in Norway for both the company and its employees. Furthermore, we assist with the submitting of TAX returns.

VAT and customs
Visma Advokater holds considerable knowledge concerning both Norwegian and foreign VAT/sales tax legislation. Foreign companies arriving in Norway may face numerous requirements and questions regarding VAT treatment of their activities in Norway. Furthermore, foreign companies doing business in Norway and Norwegian companies doing business abroad face issues relating to customs and VAT on cross boarder activities. Visma Advokater AS will be able to support any company in VAT and customs related matters in Norway and abroad.
